

Policy Foresight Associates

Policy Foresight Associates is a Portland, Oregon-based firm that provides research and strategy advice on public policies and programs for clients in the United States and abroad. The firm specializes in data-rich and forward-looking research, planning, and analysis for public and private sector clients. Our emphasis is on a prudent use of resources to achieve known outcomes. The Principal of Policy Foresight Associates is Dr. Bruce Gilley.

“Gilley has, by the standards of the profession, earned the right to speak his mind when it comes to his field of study.”

The background of the top half of the page features a complex financial chart with multiple data series. It includes a candlestick chart at the top, several moving average lines, and a bar chart at the bottom. The colors are primarily blue and green, with white highlights for the candlesticks and bars. The overall aesthetic is professional and data-driven.
